

# EARLS GATE ENERGY CENTRE **JOBS FAIR**

**Wednesday  
15th May 2019  
14:00 – 19:00**

**Garden Suite, Leapark Hotel  
130 Bo'ness Road  
Grangemouth FK3 9BX**

Earls Gate Energy Centre, a new Energy from Waste plant, is currently under construction at Earls Gate Park, Grangemouth. The facility will supply heat and power to local industry and export surplus electricity to the National Grid.

Come to our jobs fair to find out about construction-related job opportunities and longer term employment prospects at the facility.

**ENIM**  **Clugston**

If you are unable to attend the event, visit [www.earlsgateconstruction.co.uk](http://www.earlsgateconstruction.co.uk) for further information on how to submit your CV.
